

RICKMERS-LINIE

Vision & Mission

Our Vision

Rickmers-Linie is the leading specialist in the global transportation of breakbulk, heavylift and project cargoes. As reliable partners to our clients we offer tailor made, innovative and efficient transportation solutions from the factory up to the construction site.

The exceptionally high quality and reliability of our transportation services create lasting values for our customers, employees and shareholders.

Our Mission

Our Product

We provide a worldwide network of liner services for the transportation of breakbulk, heavylift and project cargoes. With regular sailings, short transit times and reliable schedules we set a new standard in the industry. Our innovative “Round-The-World Pearl String Service” connects the core business areas of the world. Liner services between the US, Europe and the Middle East/India as well as special charter sailings on demand add value for our globally active customers. By combining our key competence in ocean transportation with the knowledge and expertise of leading partner companies we offer tailor made transportation solutions from the factory to the construction site. Advanced technology, professionalism and co-operation at all levels of the transport chain secure the highest possible standards in efficiency, safety and reliability.

Our Customers

We strive to meet and exceed the expectations and requirements of our customers. We act swiftly and flexibly, thereby always focusing on solutions to fit our customers’ needs. We provide our customers with highly competent and reliable transportation services, aimed at developing long-lasting and honest partnerships.

Full customer satisfaction is our prime objective.

Our Team

Employees, team leaders and management form a dedicated team of highly skilled, performance and service-orientated shipping experts. Transparent decision-making processes, coupled with an honest approach, tolerance and respect for each other define a working environment, which encourages each team member to contribute his skills, experience and creativity. Personal initiative and responsibility as well as continual improvement of individual qualifications through education and training ensure competent and dedicated performance at every level of our company.
